

Dear Judge Means, 4:00cr54-Y

My name is Forrest Reedy, Thomas Reedy's Father. I am writing to you because I am in poor health and would like to be able to have my son around me for a while before I go.

I understand my son's case is before you now. Sir, he did not receive a fair trial. Please take the time to review his evidence while considering the fact that my son has never been in trouble ever in his life before this and, I believe, is no threat to anyone. Please let him go. It's the right thing to do.

Sincerely,  
Forrest R. Reedy
